An important part of our mission includes a commitment to "developing the potential of women". Through membership in this organization, what skills do you wish to acquire and/or what experiences do you wish to have?

The Junior League of Victoria is focused on developing the potential of at-risk adolescent girls. Through Project Esperanza, we mentor and teach life skills classes to girls at Devereux Center, VISD, and the Mitchell Guidance Center. We also host a Women Leaders of Tomorrow Conference with the Girl Scouts. What interests you about our focus?

Membership in the Junior League of Victoria requires a significant time commitment. Do you foresee any issues in your personal or professional life that might impact your ability to meet JLV meetings (the first Monday of every month from 6:00-8:00) or volunteer requirements (@ 3-6 hours a month)?
